Things to
remember
Earl Grey

Things to
remember

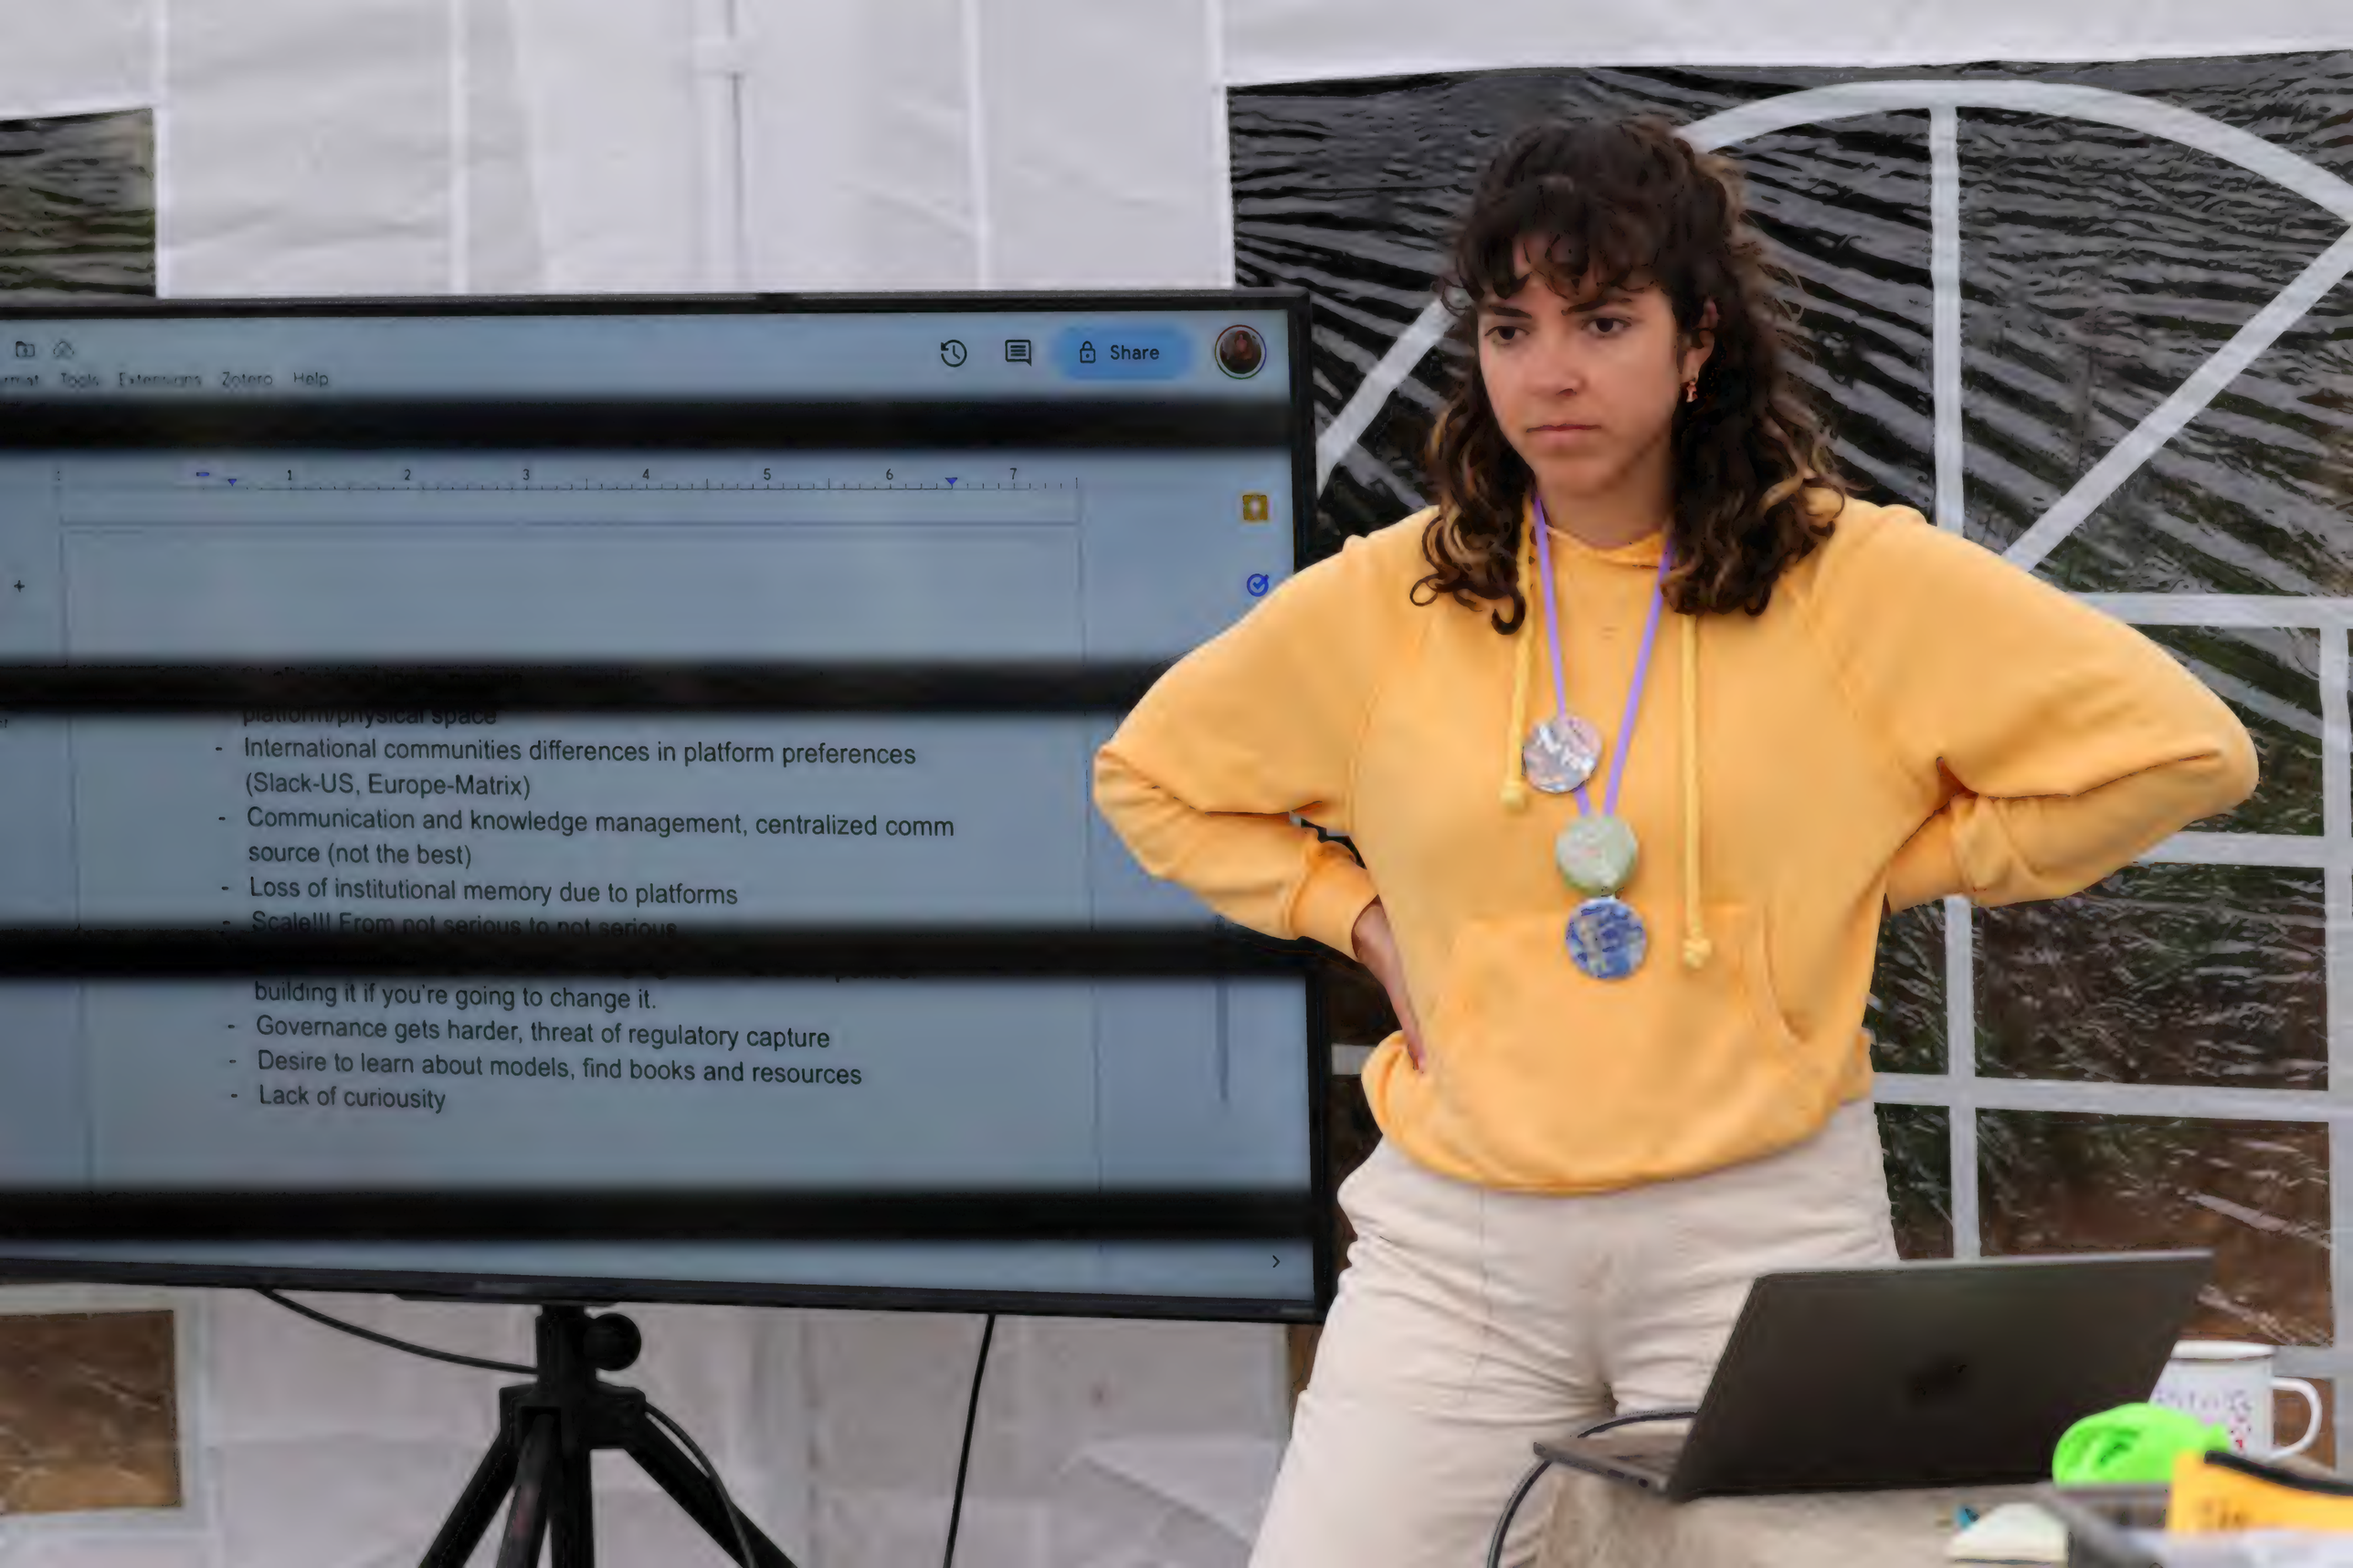

Share
platform/physical space
- International communities differences in platform preferences (Slack-US, Europe-Matrix)
- Communication and knowledge management, centralized comm source (not the best)
- Loss of institutional memory due to platforms
building it if you're going to change it.
- Governance gets harder, threat of regulatory capture
- Desire to learn about models, find books and resources
- Lack of curiousity

Share
- Challenge of tools, people not wanting to use, shared
- International communities differences in platform preferences (Slack-US, Europe-Matrix)
- Communication and knowledge management, centralized comm source (not the best)
- Loss of institutional memory due to platforms
- Scale!!! From not serious to not serious
- Governance gets harder, threat of regulatory capture
